You are invited to join this global gathering of leaders with one purpose in mind: **Developing leaders at all levels, positions and stages.** And we can do it. One community. One business. One person at a time.

Because we know that leadership is more than just learning. It's more than just growing. It's more than status or even experience. Real leadership is about service. It's about sacrifice. It's about having the will to take action. It's about positively influencing the lives of those we lead. Authentic leadership is about being the one.

The one organization that leads by example. The one team that maintains focus amid chaos and courage amid adversity. The one person others look to for strength and guidance. The one who casts vision. The one who offers hope.

Are you ready to be the one? Join us on May 7, 2010 for the Chick-fil-A Leadercast, and set your sights on being the one to make a lasting impact. You can be the one to start the movement; you can be the one to impact lives.

Please call the Colonial Heights Chamber of Commerce at (804) 526-5872 to register or for additional information. Tickets are \$65 and include a buffet lunch. You can be the leader that makes all the difference. The one to live it out.
